**Proposed Meter Location.** *Meter location cannot be more than five (5) feet beyond the front. Location must be marked on foundation with paint or stake "G" for gas.*

As you face the house from the street:  Front  Right  Left

**Vehicular Traffic:** The Illinois Commerce Commission mandates that meters installed within three feet of vehicular activity are protected by a concrete guard rail. The cost of the guardrail's installation is \$350. If your meter is within three feet of vehicular traffic, you will be contacted by a Gas construction Consultant to arrange a site visit to evaluate the property.

Is the proposed meter location within 3 feet of vehicular traffic (driveway, roadway, parking lot, alley, etc.)?  No  Yes

**Proposed Appliances.**

Range  Water heater  Gas heat  Gas dryer  Other: \_\_\_\_\_

Will Your Gas Load Requirements Exceed 300,000 BTU's?  No  Yes If yes, Total BTUs: \_\_\_\_\_

Septic field?  No  Yes If yes, send plan. Location:  Front  Back  Right  Left

**Type of Construction.**

Single family  Condo  Townhome  Duplex  Mobile home

**Stage of Construction.**

No foundation. If no foundation, enter foundation backfill date: \_\_\_\_\_  
 Foundation  Shell  Under roof  Drywall  Existing

**Winter Construction Costs:** Nicor Gas may encounter winter construction conditions during the period from November 15 through March 15 that increase installation costs. You are responsible for the estimated fully distributed cost of the incremental activities required for installation under winter construction conditions. Do you request that Nicor Gas install service between November 15 and March 15, provided that Nicor Gas gives you a prior estimate of the increased costs?  Yes  No

Date Service is Required: \_\_\_\_\_

Approximately how far is the building/house from the road? \_\_\_\_\_

What is the name of the nearest cross street? \_\_\_\_\_

Within City Limits?  No  Yes

What direction are you from that street?  N  S  E  W

Remarks \_\_\_\_\_

Owner acknowledges inability to provide a plat or other indication of possible underground facilities including but not limited to septic, water, electric or telephone lines. In consideration for the placement of the gas service piping without such plat or other indication, Owner shall indemnify, defend and hold harmless Nicor Gas, its employees, agents and contractors from and against any and all suits, actions, claims and damages, interest, attorney fees, costs and expenses of whatsoever kind or nature whether arising before or after completion of the work thereunder and in any manner directly or indirectly caused, occasioned or contributed to in whole or in part by reason of any action, omission, fault or negligence of the Owner, including but not limited to the omission to provide the plat or other indication. Owner is responsible for repair and restoration on private property. Nicor Gas is responsible for public restoration only, and will not be held liable for any damage to any trees located on the above-mentioned property.

Nicor Gas is requested to install gas service pipe at the above service address under the Rates, Riders, and Terms and Conditions of the company on file from time to time with the Illinois Commerce Commission including Rider4-Gas Service Pipe. Nicor Gas will submit a bill for any service pipe charges in excess of the 60 foot free allowance, **such billing to be issued and paid separately from the natural gas utility bill.**

Applicant \_\_\_\_\_ Date \_\_\_\_\_
