

## Nicor Enerchange Trading – Commercial/Industrial Services

**Nobody knows the Midwest gas market better. Why not use that expertise to your advantage?**

Created in 1998, Nicor Enerchange is one of the most experienced natural gas providers in the Midwest with customers throughout Illinois, Wisconsin, Indiana, Iowa and Michigan. We offer energy management solutions tailored specifically to meet your energy procurement goals and risk profile. And, because we buy and sell natural gas that originates from multiple supply basins in the United States and Canada, we truly understand the North American natural gas market.

At Nicor Enerchange, our primary goal is to offer cost-effective energy products, while providing superior account support, as efficiently and effectively as possible. As a subsidiary of Nicor, Inc., our balance sheet is strong and it allows us to be a consistent and reliable energy partner.
