Storage Loss Gas Adjustment

Shipper shall have an obligation to pay the Transportation Prepayment Charge and the Storage Prepayment Charge as of the date Priority Interruptible Transportation and Storage Service commences, which shall be the later of (i) the date specified on this Agreement or (ii) the date Company is able to render service hereunder to Shipper. Such charges may be reimbursed, which shall be pursuant to the "Charges" section of Rate 21.

Any discounted rate provided hereunder shall be, at all times, between the minimum and maximum rates applicable to the service provided under this Agreement and shall be adjusted, as necessary, to comply with this condition. If any rate component herein which was equal to or within such minimum and maximum rates at the time this form is executed subsequently exceeds the applicable maximum rate or is below the applicable minimum rate due to a change in Company's maximum rates and/or minimum rates, so that such rate component must be adjusted upward or downward to equal the new applicable maximum or minimum rate, then other rate components may be adjusted upward or downward to achieve the agreed upon total charges, so long as none of the resulting rate components exceed the maximum rate or are below the minimum rate applicable to the rate component. Such changes to rate components shall be applied prospectively, commencing on the date Company receives approval for new tariff sheets from the Illinois Commerce Commission. However, nothing contained herein shall be construed to alter a refund obligation under applicable law.

Pursuant to Company's Rate 21 Terms and Conditions, Shipper hereby certifies that any gas tendered for transportation and/or storage by Shipper to Company will ultimately be consumed within the State of Illinois.
